Great Benefits of Buying Checks From Your Financial Institution

- Secure Information — Harland Clarke does not share or sell information to other companies.
- Guaranteed Satisfaction — If we cause an error on your order, we'll replace it at no charge.
- Convenient Reordering — Ask your financial institution representative about ordering options.

Security Features

How we work to protect your checks.

Padlock Icon — This icon signifies that checks comply with industry standards.

Fugitive Ink — Chemical alterations may cause extreme discoloration, washing the check will likely cause details of the backer to fade or disappear.

Security Weave® — A patented, intricate design that is extremely difficult to duplicate.

Micro Print — A fine line of type that can be read when magnified and is very difficult to photocopy.

Security Screen — The words "Original Document" will fade, distort or disappear if a check has been copied or scanned by traditional means.

Security Warning Box — Gives a checklist of security features present on the check.

VOID Feature — The word VOID will appear in the Warning Box if the check is scanned or photocopied.

Security/Safety Paper — When common chemicals are used to change the original information on a check, stains will appear.

Secure & Trackable Delivery

CheckProtect® secure and trackable delivery service helps protect your financial information.

Need Your Checks Fast?
